EDUCATION

CareerFoundry — *UX Design Certificate*

MAR 2019- FEB 2020

Project-driven bootcamp where I learned and applied UX Design steps.

Also specialized in UI Design (Layout, Typography, Color, Iconography)

Portfolio website: **https://peterolsondesign.myportfolio.com**

Benedictine College, Atchison, KS-*Psychology BA*

AUG 2013 - MAY 2016

GPA: 3.86

Relevant Course: Semester-long research seminar spent creating and executing a psychology research study. Analyzed and presented findings.

EXPERIENCE

CareerFoundry — *UX Design Tutor*

NOV 2020 - PRESENT

Evaluating student work and giving actionable feedback to improve the quality of student submissions and portfolio projects.

Retail Data — *Data Collector*

FEB 2020 - PRESENT

Deploy data collection devices to record unique product codes, accurately enter prices, and appropriate attributes based on collection criteria.

Prime Therapeutics— *Clinical Review Technician (Healthcare)*

NOV 2016 - OCT 2019

Reviewed criteria and medication requests to determine if the request can be approved.

Performed outreach calls to pharmacies and physician's offices to obtain all necessary information related to UM requests.

Performed duties at office and remotely.

Audited newer technicians to ensure their compliance with established protocol. Communicated findings with team leads.

Spearheaded survey creation, measuring teammates' engagement levels in a three-month campaign to increase productivity. Presented findings.
